### **9M6DXX going QRT**

After more than eight years in Malaysia, my wife Eva, 9M6EVA, and I have decided to move on to another part of the world. We leave Malaysia on November 1, therefore 9M6DXX will go QRT some time in October. 9M8Z has already closed down, the last QSO from that station was made in the RSGB IOTA Contest in July. We will be moving to Bonaire and we hope to be active with PJ4 call signs before the end of the year".
